
MEMORANDUM

TO: MAGGIE DUBOIS, STAFF COLUMNIST
FROM: PERRY BLACK, EDITOR
SUBJECT: ARTICLE SUBMISSIONS
DATE: 09/02/25

This is to inform you that I have read your series of articles, "The Real Dr. Fraud," and they do not meet this paper's needs. Your penchant for "undercover investigation," while daring, are hardly the antics expected from a society reporter..

You have voiced your desire to move from the Society pages to investigative reporting on numerous occasions, and have been told that you will be considered when a position becomes available. Attempting to "prove yourself" by free-lance reporting will not hasten that decision.
