

## **Sigmund Freud - Fact Sheet**

### **Based on:**

Sigmund Freud, Austrian neurologist, psychiatrist

### **Short bio of Freud:**

Founder of psychoanalysis in the 1890s. In the 1920s, he was still writing prolifically on behavior and the mind. His *Ego and the Id* was published in 1923.

### **Other information about your character:**

You know one of the other partygoers: Maggie DuBois, the society reporter, was a patient of yours. She's an ardent feminist, and was trying to break into investigative reporting by pretending to have psychiatric problems and then writing a series of articles on you and your methods. So far, she's still a society reporter.
